Re: Notification of Subscriber Transfer
CC Docket No. 00-257

Dear Ms. Dortch:

Pursuant to Section 64.1120(e)(2) of the Commission's Rules, this letter provides an update to the notification of the planned transfer of certain local exchange subscribers to BellSouth Telecommunications, Inc. ("BST"). As set forth in its letter notification filed with the Commission dated May 22, 2002, BST has entered into an agreement with Adelphia whereby BST will acquire some of Adelphia's local exchange customers (including local toll services).

This transfer is the result of Adelphia Business Solutions Operations, Inc. ("ABSO") and Adelphia Business Solutions of Kentucky, Inc. ("ABS") having recently filed for bankruptcy protection and as a consequence, these companies, as well as other Adelphia subsidiaries and affiliates in the BST region, have decided to discontinue providing local telephone service, local toll telephone service and long distance service to some customers.¹ ABSO and ABS provide such services in Alabama, Georgia, Kentucky, Mississippi, North Carolina, and parts of Tennessee. Other Adelphia subsidiaries and affiliates provide such services in South Carolina, Florida, Louisiana, and Nashville, Tennessee. Consequently, the bankruptcy court must give its permission of the sale before the customers from ABSO and ABS can be transferred to BST. Customers of other Adelphia subsidiaries and affiliates, which have not filed for bankruptcy, however, may be transferred without having to gain the bankruptcy court's permission.

Accordingly, BST estimates that it will begin transferring affected subscribers in Florida, Louisiana, and South Carolina that have not selected an alternative provider beginning July 11,

¹ It is BST's understanding that Adelphia will continue to provide service to facilities-based customers.

2002.² BST will provide all transferred local exchange subscribers approximately the same local services they received from Adelphia at BST's approved rate structure. Each affected subscriber will have at least 30 days notice prior to the transfer.

BST anticipates transferring all other affected customers at a time consistent with the Commission's notification rules after the bankruptcy court grants permission. BST will provide written notification to the Commission of the time of transfer and an updated customer notification once this date is finalized.

BST certifies that it will provide advance subscriber notice in accordance with section 64.1120(e)(3). Further, BST will comply with the obligations specified in the notice and any other applicable statutory and Commission requirements that apply. The notification letter for customers in Florida, Louisiana, and South Carolina is attached hereto.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Stephen L. Earnest

Enclosure

² Even though the Adelphia entity that serves the Nashville, Tennessee area is not in bankruptcy and its customers could be transferred without the bankruptcy court's approval, the Nashville customers will not be notified and transferred pursuant to this notification. Adelphia and BST anticipate transferring all Tennessee customers at the same time.

NOTICE OF TRANSFER OF TELEPHONE SERVICE

Dear Adelphia Business Solutions Customer:

As you may know, Adelphia Business Solutions Operations, Inc. and Adelphia Business Solutions of Kentucky, Inc. recently filed for bankruptcy protection and as a consequence, these companies, as well as other Adelphia subsidiaries and affiliates in the BellSouth Telecommunications, Inc. ("BellSouth") region (collectively "Adelphia"), have decided to stop providing your business with local telephone service, local toll telephone service and long distance service on approximately July 11, 2002. In order to ensure that you continue to receive telephone service without disruption, Adelphia and BellSouth have entered into an agreement for BellSouth to provide your local telephone service and local toll service for your business, unless you choose another provider. *Adelphia recommends and endorses BellSouth to be your local telephone and local toll provider.* Upon receipt of this letter you may transfer your local telephone service and local toll service to BellSouth or any other carrier of your choice. If you have not transferred your service to BellSouth or another carrier by **July 11, 2002** (the "Selection Date"), then within the following ten (10) day period (the "Transfer Period"), your local telephone service and your local toll service will be transferred to BellSouth as outlined below in accordance with applicable rules of the Federal Communications Commission ("FCC") and your state public utility commission.

BellSouth, recipient of J.D. Power and Associates' prestigious award for highest customer satisfaction with Small Business Local Telephone Service Providers*, looks forward to serving your communications needs with a wide variety of competitively priced products and services. BellSouth offers much more than just local phone service. From wireless to high-speed Internet access, voice messaging, wireless e-mail and more, BellSouth can provide you with a solution that's right for your small business. Since it can all be billed on your BellSouth bill, you will have only one provider to call. At BellSouth, our goal is to deliver the high-quality, affordable products and services you need to maximize your communications and grow your business. See the attached promotional materials for attractive offers concerning BellSouth products and services.

You have a choice in selecting your telephone service provider.

- 1) **If You Select BellSouth by the Selection Date:** Please contact BellSouth at (866) 709-6145 for business local telephone and local toll service as soon as possible. You will be able to retain your existing Adelphia telephone number with BellSouth service. BellSouth will not charge its customary new connection fee or any other change of carrier charges for these regulated services. If you use Adelphia for long distance services and are in Georgia and Louisiana, you can now select BellSouth Long Distance ("BSLD") as your long distance carrier. BSLD has compelling, cost-effective long distance offers that are available where authorized. If you are outside of those two states, you will need to select another long distance carrier as BellSouth is not authorized to provide these services. If you currently use another carrier for long distance service, you will continue to receive your long distance service from the same carrier.

2) **If You Do Nothing by the Selection Date:** If you have not transferred your local and/or local toll service by the Selection Date, these services will be automatically transferred to BellSouth during the Transfer Period at no cost to you, and you will not experience any service outage. In accordance with the applicable rules of the FCC, services will be provided to you as follows:

- a. **Local and Local Toll Services** – BellSouth will provide approximately the same local services as you were receiving with Adelphia at the BellSouth approved rate structure. In addition, BellSouth will not charge its customary new connection fee or any other change of carrier charges for these regulated services. See attached summary of BellSouth local and local toll service terms and conditions for more details. These rates, terms and conditions will be applicable on the date BellSouth becomes your service provider. BellSouth will contact you by mail or telephone to advise of any post-transfer changes. In addition to the rate plans set forth in the summary, BellSouth has attractive pricing programs involving rewards for local service – see attached pricing and promotional materials for details.

Long Distance Services – If you use Adelphia for long distance services you must select another carrier, as these services will not be automatically switched to BSLD. If you use Adelphia for long distance services and are in Georgia and Louisiana, you can, however, now select BSLD as your long distance carrier. BSLD has compelling, cost-effective long distance offers that are available where authorized. If you are outside of those two states, you will need to select another long distance carrier as BellSouth is not authorized to provide these services. If you currently use another carrier for long distance service, you will continue to receive your long distance service from the same carrier.

- b. **Service Adjustments** – You may make adjustments and changes to your service from BellSouth at any time by calling service representatives (per your billing statement).

3) **If You Select Another Provider before the Selection Date:** Please be aware that if you transfer your local service to a provider other than BellSouth, **you may incur a new connection charge**, and you must make arrangements with that service provider to transfer your service prior to the Selection Date.

If you have a preferred carrier freeze which prevents unsolicited changes to your local telephone and local toll service and have not contacted BellSouth or another provider by the Selection Date, the freeze will be lifted and your local and local toll service transferred to BellSouth. Please contact BellSouth to arrange for the freeze protection to be reinstated after the transfer if BellSouth is your carrier.

Adelphia will no longer make any new changes to your Adelphia telephone service. Adelphia has responsibility for handling any outstanding complaints or disputes that may exist between you and Adelphia or another carrier. You will be responsible for any account balance due Adelphia through the date of transfer. After the payment of your final bill to Adelphia, any deposits or credits that may be due to you from Adelphia will be sent to you within 30 days following the discontinuation of your telephone service.

If you have any questions regarding your Adelphia telephone service or the transfer of your service, please direct any questions you may have to Adelphia at the appropriate number listed below.

BellSouth Key Customer Program Subscriber Election — Georgia & Florida

The undersigned Subscriber desires to participate in the BellSouth Key Customer Program (the "Program"), and agrees to the following:

1. Subscriber is a new or existing BellSouth Telecommunications, Inc. ("BellSouth") business services subscriber in Georgia or Florida and has monthly billed BellSouth regulated charges* (as defined in the applicable BellSouth tariff) at each such location between \$75 and \$3,000 excluding hunting charges. Subscriber agrees to keep local services with BellSouth under its General Subscriber Services Tariff ("G.S.S.T.") or Private Line Services Tariff, for a minimum of eighteen (18) or thirty-six (36) months from the enrollment date in the Program. The enrollment date shall be determined by the first billing cycle date in which Subscriber receives the discount off its BellSouth regulated charges as set forth in paragraph 2, below.
2. Subscriber agrees to the following term and discount:

Monthly Billed BellSouth Regulated Charges†	Eighteen (18) Month Term	Thirty-six (36) Month Term
\$75 - \$3,000.00	10%	25%
Hunting Bonus Discount	50%	100%

†The total billed charges consist of end-user monthly billed BellSouth regulated charges at qualifying locations excluding: nonregulated charges, taxes, late payment charges, charges billed pursuant to federal or state access service tariffs, charges collected on behalf of municipalities (including, but not limited to services for 911 service and dual party relay services), and charges for services provided by other companies.

3. The Hunting Bonus Discount will apply to the Subscriber's recurring charge for the Hunting service commensurate with the term of the election Subscriber chooses. (Hunting is also defined as Rotary Line Service).
4. For each month during which this term election agreement is in effect, Subscriber will receive the discount associated with Subscriber's monthly total billed BellSouth charges* (as defined in the applicable BellSouth tariffs) for that particular month in each state as approved by regulatory authority. If such charges fall below the minimum revenue per month, discounts will not be applied for such locations. The applied discounts will appear as a credit in the Other Charges and Credits (OC&C) section of the Subscriber's bill. All business local service will continue after the election term has expired, after which Subscriber agrees to pay full tariffed charges.
5. In the event Subscriber discontinues business local service with BellSouth prior to the expiration of the term election, Subscriber shall pay to BellSouth the amount of discounted charges for its local services that the Subscriber had received as a result of Subscriber's participation in the Program. In addition, Subscriber shall pay to BellSouth the amount of \$100 representing the costs of administration and acquisition incurred by BellSouth. Tariffed termination liability charges may apply if applicable.
6. In the event Subscriber changes service locations for business local service, Subscriber shall notify its BellSouth Small Business Office to advise of the change in service location.
7. In the event Subscriber is switched without authorization by another carrier for business local service, Subscriber must call its BellSouth Small Business Office to continue the Program once the improperly switched account has been returned to BellSouth.
8. This election is subject to and controlled by the provisions of BellSouth's lawfully filed tariffs, including any changes therein as may be made from time to time.

The undersigned Subscriber desires to participate in the BellSouth Key Customer Program (the "Program"), and agrees to the following:

1. Subscriber is a new or existing BellSouth Telecommunications, Inc. ("BellSouth") business services subscriber and has monthly billed BellSouth regulated charges† (as defined in the applicable BellSouth tariff) at each such location between \$100 and \$3,000. Subscriber agrees to keep local services with BellSouth under its General Subscriber Services Tariff ("G.S.S.T.") or Private Line Services Tariff, for a minimum of eighteen (18) or thirty-six (36) months from the enrollment date in the Program. The enrollment date shall be determined by the first billing cycle date in which Subscriber receives the discount off its BellSouth regulated charges as set forth in paragraph 2, below.

2. Subscriber agrees to the following term and discount:

Monthly Billed BellSouth Regulated Charges†	Eighteen (18) Month Term	Thirty-six (36) Month Term
\$1,000 - \$3,000.00	14%	18%
\$150 - \$999.99	10%	14%
\$100 - \$149.99	6%	10%
Hunting Bonus Discount	50%	75%

†The total billed charges consist of end-user monthly billed BellSouth regulated charges at qualifying locations excluding: nonregulated charges, taxes, late payment charges, charges billed pursuant to federal or state access service tariffs, charges collected on behalf of municipalities (including, but not limited to services for 911 service and dual party relay services), and charges for services provided by other companies.

- The Hunting Bonus Discount will apply to the Subscriber's recurring charge for the Hunting service commensurate with the term of the election Subscriber chooses. (Hunting is also defined as Rotary Line Service).
- Subscriber may renew this election agreement for another term, under the same terms and conditions, by providing BellSouth with written notice of its intent to do so within 30 days prior to the expiration of the initial term of this election, (with exception to those Subscribers participating in North Carolina).
- For each month during which this term election agreement is in effect, Subscriber will receive the discount associated with Subscriber's monthly total billed BellSouth charges† (as defined in the applicable BellSouth tariffs) for that particular month in each state as approved by regulatory authority. If such revenue falls below the minimum revenue per month, discounts will not be applied for such locations. The applied discounts will appear as a credit in the Other Charges and Credits (OC&C) section of the Subscriber's bill. All business local service will continue after the election term has expired, after which Subscriber agrees to pay full tariffed charges.
- In the event Subscriber discontinues business local service with BellSouth prior to the expiration of the term, Subscriber shall pay to BellSouth the amount of discounted charges for its local services that the Subscriber had received as a result of Subscriber's participation in the Program. Subscriber is responsible for repayment of all discounts received associated with this term election. In addition to the reimbursement of the discounts, tariffed termination liability charges for individual services will be applied, if applicable.
- In the event Subscriber changes service locations for business local service, Subscriber shall notify their BellSouth Small Business Office to advise of the change in service location.
- In the event Subscriber is switched without authorization by another carrier for business local service, Subscriber must call their BellSouth Small Business Office to continue the Program once the improperly switched account has been returned to BellSouth.
- This election is subject to and controlled by the provisions of BellSouth's lawfully filed tariffs, including any changes therein as may be made from time to time. Other restrictions may apply pursuant to the tariffs.
